2026 Softball Induction Sunday the 25th

Our event is only Sunday but we're hopeful groups will plan their own overnight stays in relatively close hotels/motels so additional celebrations can occur.

Plans are for 2026 Hall of Fame new members' induction on Sunday the 25th. This will be an informal gathering for those involved in fast pitch softball and is open to all participants plus families as well as fans of the game. Be encouraged to spread the word.
